
Rethinking Sisterhood Unity Diversity

revising sisterhood: from unity to affinity - tional conception of sisterhood - as a unity of women 'naturally' unified by a common feminine identity and by male dominance - could not function easily, and therefore also the exclusion of men was not easily employed as a basis of identification. rather, the encounter with diversity required a rethinking of one's own positions and presumed normalities or anomalies and supported selective ... **conference organizers: wilfried raussert, bielefeld ...** - conference organizers: wilfried raussert, bielefeld university and maryemma graham, the university of kansas conference location: zif, center for interdisciplinary research, bielefeld university methoden 1, 33615 bielefeld, germany conference time: may 6th to may 8th, 2013 conference sponsors: bmbf, bundesministerium für bildung und forschung dfg, deutsche forschungsgemeinschaft dlr ... **regenerating africa - muse.jhu** - identity and diversity for african unity and renaissance mammo muchie, vusi gumede, samuel olorunjoba and check achu modern societies are defined by the construction of identities, which differ-entiates one group of people from the other. while there is a common origin for the whole of the human race, human societies have been differentiated - as a result of colonialism and imperialism ... **tuesday, november 25 - society of biblical literature** - forging a sisterhood between feminist psychology and feminist theology (25 min) discussion (5 min) ... unity and diversity in the symbolism of four first-century artifacts of jesus-devotion (20 min) jacob a. latham, university of tennessee, knoxville gods and game-givers in the pompa circensis: ritual and remembrance (20 min) alison c. poe, fairfield university a viewing scenario for early ... **from blood to genes? - sarah franklin** - from blood to genes? rethinking consanguinity in the context of geneticization sarah franklin kinship has returned to the pages of anthropology journals with a vengeance, but also with a twist. with the revitalization of one of its hallmark concepts, anthropology is once again plunged into contro-versy about blood, genes, inheritance, descent, and reproductive biol-ogy—just as in its ... **points against postmodernism - scholarly commons** - points against postmodernism catharine a. mackinnon* for an american feminist., reading the newly born woman is like going to sleep in one world and waking in another-going to **curriculum vitae sarah willie-lebreton** - curriculum vitae sarah willie-lebreton (also sarah susannah willie, sarah s. willie) department of sociology & anthropology 3 azalea lane swarthmore college media, pa 19063 **dancing in the mirror: performing postcoloniality in ...** - the sisterhood among the wives shows how women access power when they help each other to overcome difficulties in a society where males are privileged. in the end, rami discovers how solidarity among women might be a crucial element for their empowerment. in her study of the bemba ethnic group in zambia, audrey richards examined girls' initiation rites, providing some insights into these ... **bruce lincoln curriculum vitae personal** - 3 the result of original research published during the past two years by the american society of oriental research. holy terrors: thinking about religion after september 11. **borderwork - muse.jhu** - the power of diversity has as its mirror image and companion, the powerlessness of fragmentation. small autonomous groups also be ineffectual groups."1 in a television interview on ber 31, 1979, tom wolfe charac terized the decade that was closing as the "me decade." feminists were part of the "me decade," too, the identity question that simmered in the late 1970s intensified as the 1980s ...
